<b>BULLETIN:</b>	End-of-Life Notice		
<b>FOR DISTRIBUTION TO:</b>	All GMM-xxx customers		

### Summary

---

End of Life of GMM-R1, GMM-U2P, and GMM-G3 and last time buy.

### Details of Change

---

Sierra Wireless hereby announces the EOL of the GMM-R1, GMM-U2P, GMM-G3 modules from the GNSS portfolio.

Customers wishing to extend the life of a platform that has integrated the Sierra Wireless GMM-xxx have two options:

1. Purchase sufficient quantity of the GMM-xxx before the last purchase date to support the projected life of the platform. Note that due to a component EOL, the possible LTB quantity is limited. Please contact your account manager for more details.
2. Integrate the XS1110, Sierra's latest Standard GNSS module, and XM1110, which will continue to be supported.

Sierra Wireless will no longer support new integrations using the GMM-xxx. These integrations should be done using the XS1110 and XM1110

For information on Sierra Wireless GNSS Series modules, and other products, go to:

<https://www.sierrawireless.com/products-and-solutions/embedded-solutions/gnss-positioning-modules/>

### Effective Dates

---

The LTB (Last Time Buy) date is **January 13<sup>th</sup>, 2021**. Purchase orders will only be accepted until this date.

The LTS (Last Time Shipment) date is **July 13<sup>th</sup>, 2021**. All shipments must complete on or before this date.

### More information

---
