

## Product End-of-Life Notification

<b>Topic</b>	<b>Fox 2 Module End-of-Life announcement</b>
<b>Date</b>	April 20 <sup>th</sup> , 2015

### Affected Products

Product Name	Part Number	Recommended Replacements
Fox 2	Fox2	N.A

### Reason for discontinuation

- A component EOL requires a costly redesign of this product, which cannot be done due to lack of customers, and very low adoption in the market.

### Recommended Replacement

- There is no product available currently that can fully replace Fox 2. Anyone using Fox 2 simply for the I2C interface can switch to our new multi-interface module which will be released in Q3, 2015.
- A redesign might be necessary, due to different foot-prints of the modules.

### Schedule & Terms
