

Certificate of Compliance-RoHS Declaration

GlobalTop Technology Inc. is declaring all products manufactured and sold under its name are RoHS compliance.

As being compliant to RoHS regulation, GlobalTop guarantees no banned substances above permitted levels are used in any materials during the production of all products sold by GlobalTop, and no contamination of these substances has taken place during our manufacturing process.

All information regarding the contained substances in our manufactured goods is based on GlobalTop's acknowledgement, and with addition to product specifications provided by third party suppliers of GlobalTop Technology Inc.

Banned Substances and their Permitted Level based on RoHS Regulation
